

2007 Spectrom Price List

Our much anticipated 2007 pricing is now available. In order to keep with our strategy of 20% lower list prices than our competitors we will be raising our prices on some of our lines. Below you will find a summary of the price increases. These are across the board changes for each line. By that we mean there are no individual part increases.

ARO - 5%

WARREN RUPP - 5%

YAMADA - No price increase

VERSA-MATIC - 5%

VIKING - 4%

WILDEN VINTAGE - (Discontinued parts) No increase

These prices will go into effect on March 1st 2007. Price list is available for download on spectromparts.com in PDF format. Should you require this in an excel format please email me or Trevor Garton at the addresses listed below.
